### **“Nature Packed”**

Size	Weight	Age	Price Each
18—24”	30 lbs.	5 yrs.	\$ 4.00
2— 3’	60 lbs.	5 yrs.	5.50
3— 4’	80 lbs.	6 yrs.	7.50
4— 5’	100 lbs.	7 yrs.	12.00
5— 6’	125 lbs.	8 yrs.	16.00

“Nature Packed” Hollies are so much better than common B. & B. stock that there is simply no comparison.

“Nature Packed” Hollies are shipped either R. R. Freight or Express. I have always advised Express for Hollies packed old way—B. & B.—but “Nature Packed” will keep in growing condition so much longer that I believe the cheap Freight rate may be taken advantage of in most cases.

When ordering specify whether Freight or Express.

“Nature Packed” is the best buy in the Holly world.
